A Letter About Drinks in Taiwan

一封關於台灣飲料的信

Dear Lucy, How are you? I am writing to you from Taipei. The weather is very hot here, so people drink a lot. There is a drink shop on almost every street! Today I want to tell you about my favorite drinks in Taiwan.

First, you must try milk tea with small black balls inside. People call it bubble tea. You can choose the ice and the sugar. I always say 'less ice' because the tea gets too cold. Juice is also popular. My host mom makes fresh orange juice every morning. She never buys soda or cola because she says soft drinks are bad for our teeth.

Yesterday my host brother took me to a cafe. He ordered a cup of coffee, and I had a chocolate milk shake. It was sweet and thick, like a liquid dessert. Of course, water is still the best drink on a hot day. I carry a bottle everywhere. Please write back soon and tell me about your favorite drink! Love, Mia
