# Lily's Birthday Dinner

Lily 的生日晚餐

Last Friday, Dad took Lily to a new restaurant for her birthday. Lily looked at the menu for a long time. 'Dad, there are so many dishes! What should I order?' she asked. 'Try the baked fish,' Dad said. 'They cook it very well here.'

The waiter brought a glass of water and a cup of tea. Lily looked for chopsticks, but there were none on the table. 'Use the fork and knife, honey,' Dad laughed. 'This is not a noodle shop.' Lily put a napkin on her lap. Then she cut a slice of bread and spread butter on it. 'Don't eat too much bread, or you won't finish your fish,' Dad said.

Soon the dishes came. Lily's fish was on a big white plate, and Dad's soup was in a deep bowl. 'The soup is hot, so be careful,' said Dad. 'Did they boil it for a long time?' Lily asked. 'Yes, and they did not burn it,' Dad said with a smile. They ate slowly and talked a lot. Lily said it was the best birthday dinner ever.
