Lost and Found: Is This Yours?

失物招領：這是你的嗎？

Attention, all students! The Lost and Found box in the office is full again. After the sports day last Friday, we found many things on the playground. Please come and check before this Friday. After that, we will give the items to a charity.

Here is the list. There are three caps, two umbrellas, and one pair of red sneakers. We also have a silver ring, a gold necklace with a small heart, and a pair of earrings. One student left a black wallet with 200 dollars inside! There is also a blue scarf, a cotton T-shirt, and a purse with a broken button. Someone even lost one glove. Where is the other one?

To get your things back, tell Ms. Chen what they look like. For example, say 'My cap is white with a spot on the side.' Please also write your name on your clothes and bags. Then we can find you quickly. Remember: check your pockets before you leave the playground!
