Green Hill Wins the City Final

綠丘國中贏得市賽冠軍

Taipei, May 12 - Green Hill Junior High School won the city basketball final yesterday. The team beat Riverside Junior High 58 to 55 in the last ten seconds. Hundreds of students watched the game in the school gym. 'We never gave up,' said the team captain, Jason Lin.

Basketball is not the only sport at Green Hill. The school also has strong teams in baseball, volleyball, and table tennis. Last month, the girls' badminton team won second place in the north area. The soccer team practices every morning before class. On Sports Day, every class joins a race and a dodge ball game.

Coach Huang said the key is simple: practice every day and play as a team. 'Sports teach kids how to lose and how to win,' he said. Next week, the basketball team will go to Kaohsiung for the national game. The whole school will cheer for them.
