An Email to Grandma

寫給奶奶的電子郵件

Dear Grandma, How are you? I am writing to tell you about my new room. Last Sunday, Dad and I went to a furniture store near our home. We bought a desk, a small bookcase, and a soft armchair. Now my room looks like a little office!

The best thing is my new lamp. It is on the desk next to the window. When I study at night, the light is warm and bright. Mom also bought a new blanket and two pillows for my bed. They are so comfortable that I fall asleep in five minutes. There is a fan on the ceiling and a curtain in front of the window.

We put the old sofa in the living room, and the closet is still in the hall. Dad wants to buy a new refrigerator next month because the old one is noisy. When you come to visit, you can sleep in my room. I will sleep on the sofa. I can't wait to see you! Love, Mia
