A Note from Mom

媽媽的留言

Jason, I have to work late tonight. Your dinner is in the refrigerator, on the top shelf. Please heat it for three minutes. Before you eat, I need you to do two things. Read this note carefully because I will not be here to help you.

First, find the gift for Grandpa. It is in the living room. Stand in front of the TV and turn right. Walk forward three steps to the bookcase. The box is in the middle of the second shelf, behind the photos. After you take it out, put the photos back in the same position.

Second, take the gift to Grandpa's house. From our gate, go north along the street. Then turn left at the 7-Eleven. His house is the one with the red door, on the right side of the road. Please put the box on the table there and come back before eight. Thank you, my dear. Love, Mom
